John J. Johnson
Executive Director

October 1, 2010

Dear Colleagues and Friends,

On behalf of the Kentucky Commission on Human Rights, I am pleased and honored to extend greetings to you and all who have come together for the 50th Anniversary Civil & Human Rights Conference.

Our staff and the 50th Anniversary Planning Committee have designed a conference aimed at inspiring all of us who work daily in the field of civil and human rights. There will be informative training workshops and thought provoking presentations designed to involve all conference participants. Also, we will recognize and honor many civil and human rights leaders during the Kentucky Civil Rights Hall of Fame event, and during the presentation of the Unbridled Spirit for Justice Awards. Our goal is to diligently strive to assure the civil and human rights of every resident in the Commonwealth of Kentucky.

A very special thank you to John Johnson, Executive Director for the Kentucky Commission on Human Rights, and the KCHR staff for working diligently to assure the success of this historic event.

Again, welcome and we sincerely hope this event will be a positive, educational and memorable experience for all.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alma".

Alma Randolph Patton
Co Chair, 50th Anniversary Planning Committee
Commissioner, 2nd Supreme Court District
